

RELEASE:

Trio Grande Music
Albuquerque, New Mexico

April, 2010

Also known in Albuquerque as the Carlin Venaglia Trio, **Trio Grande's** first gig together was at a local Albuquerque venue in the Spring of 2008. It was immediately apparent that Carlin, Chris and Jim had stumbled onto a rare combination. Swinging in the style of well-known trios such as Count Basie and Oscar Peterson, this new trio has a strong chemistry and passion for acoustic jazz. They are, without question, one of the "swingin'-est" combos in New Mexico today.

Without further adieu, we invite you to read their individual bios, and listen to the enclosed demo, which features three of their songs. Enjoy!
